

## Mercy Mission (The Executioner, No. 306)

Mack Bolan goes rogue as a favor for a friend that quickly turns personal- the search and rescue of American soldiers damned to hell deep inside hostile territory in the Middle East. Finding and saving the men betrayed by their ruthless commanding officer fifteen years earlier is worth everything Bolan's got- including his life. Jumping alone into enemy territory for an all-but-impossible rescue coupled with a grim determination to expose the military bureaucrats and power players who orchestrated this outrage challenges fate to the lethal extreme. As a former soldier himself, the Executioner has cheated fate before and vows to do it one more time for the forgotten prisoners of a long-ago war who deserve no less.
