

The Quilters Legacy: An Elm Creek Quilts Novel (The Elm Creek Quilts Book 5)

Readers of Jennifer Chiaverini's popular and engaging Elm Creek Quilts series are treated in each successive volume to storytelling that expertly weaves the joys and intricacies of history, quilting, and family ties. In *The Quilters Legacy*, a daughter searches for her mother's treasured heirlooms, illuminating life in Manhattan and rural Pennsylvania at the turn of the last century. When precious heirloom quilts hand-stitched by her mother turn up missing from the attic of Elm Creek Manor, Sylvia Bergstrom Compson resolves to find them. From scant resources -- journal entries, receipts, and her own fading memories -- she pieces together clues, then queries quilting friends from around the world. When dozens of leads arrive via the Internet, Sylvia and her fiancé, Andrew, embark on a nationwide investigation of antique shops and quilt museums. Sylvia's quest leads her to unexpected places, where offers of assistance are not always what they seem. As the search continues, revelations surface about her mother, Eleanor Lockwood, who died in 1930, when Sylvia was only a child. Burdened with poor health and distant parents, Eleanor Lockwood defied her family by marrying for love. Far from her Manhattan home, she embraced her new life among the Bergstroms -- but although warmth and affection surrounded Eleanor at last, the Bergstroms could not escape the tragedies of their times. As Sylvia recovers some of the missing quilts and accepts others as lost forever, she reflects on the woman her mother was and mourns the woman she never knew. For every daughter who has yearned to know the untold story of her mother's life, and for every mother who has longed to be heard, *The Quilters Legacy* will resonate with heartfelt honesty as it reveals what tenuous connections bind the generations and celebrates the love that sustains them.

Editorial Reviews. From Publishers Weekly. Quilting is the overall motif of this leisurely paced, *The Quilters Legacy: An Elm Creek Quilts Novel (The Elm Creek Quilts Book 5)*. I give it 5 stars because it entertained me and I found no flaws however, I would not put this on my list of Great Literature.
