

## Iron Fist, Velvet Glove

Following eight hundred years of political strife and religious hatred, the people of Belfast, Northern Ireland, Catholic and Protestant alike still struggle with their differences. Two young boys, one Catholic, the other Protestant, both fourteen years of age meet and form a friendship; a bond they agree will never separate them. Little do they realize how their friendship will be tested as they become involved in the seething activities of the terrorists on both sides of the ongoing conflict. This book ranges over Northern Ireland during what everyone hopes is the aftermath of the tormented era known as the Troubles. Through a large cast of characters and in no uncertain terms, Yeagle shows how a region is haunted by its past and hands down a difficult legacy to the next generation. Dr. Michael Williams, Trajans Arch
