

The Total Clutter Makeover: The Definitive Guide to Decluttering and Organizing Your Home

Join author Michelle Stewart for a look at how you can get the most out of your living space. From the kitchen to the bathroom, Stewart provides easy-to-implement advice about decluttering and organizing your space. Whether you live alone or your home is full of the pattering of many-sized feet, Stewart's active advice will help you take control of your home. Decluttering your living space can reduce stress, improve overall efficiency, and make your entire family happier in their home environment. Stewart takes general advice about removing things you don't need and breaks it into simple steps that anyone can follow; from a story about how to organize your kitchen using stickers to some honest advice about your home office, Stewart uses her own experiences with clutter to inform her readers.
