

THE ASSOCIATE: A Day in the Life

Were all tarred with the same brush; Hollywood just got the extra glazing! Moving on from her years of struggles, Anna Saunders has come into her own. In a glorious, if not rose-coloured light, she has blossomed before our eyes from an unsophisticated assistant to Jeannie Stapletons right-hand man, so to speak. In triumphant style, she helms a top New York publication, criss-crossing the globe to track down the stars. Through her journeys she uncovers the highs and lows of Hollywood celebrities to give you an even closer close-up from the inside out. Welcome back, Anna!

A day in the life of a Venture Capital Associate. Venture capital is about capturing the value between the start-up phase and the public. We've asked insiders at leading investment banks to offer us insight into a day in the life of their position.
