

Nelson Thornes Shakespeare - The Tempest Resource File

This title contains six assignments (four for GCSE and two for AS) enabling teachers to adopt fresh and original approaches to coursework and providing students with a framework for the preparation of material. Photocopiable worksheets with attractive line drawing offer a range of activities to engage students practically with issues of expression and stage presentation. It provides material suitable for whole class discussion and individual work which can be used for reading and response in the classroom or as a homework resource saving valuable time, and offers a range of resource sheets on issues of language and context.
