

Explore the Southeast National Marine Sanctuaries with Jean-Michel Cousteau (Explore the National Marine Sanctuaries with Jean-Michel Cousteau)

Based on the famed French explorers film series, Jean-Michel Cousteau: Ocean Adventures, these are the definitive guides to Americas 13 National Marine Sanctuaries and Marine National Monuments. Each installment conducts a grand adventure through each of the four regions of the National Marine Sanctuary system, combining engaging descriptions, stunning photography, and behind-the-scenes stories from the Ocean Futures Society expedition team. Intelligent inquiries into the health of the worlds oceans are provided along with an overview of several incredible underwater treasures. Conveying the beauty of the ocean and the specific measures being put into effect to preserve it, this inspirational collection also features detailed, practical information for planning visits to the sanctuaries. Included in this volume are the Florida Keys National Marine Sanctuary; Grays Reef National Marine Sanctuary, off Sapelo Island, Georgia; and Flower Garden Banks National Marine Sanctuary, in the northwestern Gulf of Mexico.
