Mallorca - Tramuntana 1:50,000 Hiking Map FREYTAG Hiking map of the north western part of Mallorca, covers the central part of the Serra de Tramuntana from the northern outskirts of Palma de Mallorca to Polenca, at scale 1:50,000 (1 inch = 0.789 mile). This detailed map features all municipalities and their parts, railways, roads, main highways, counter lines, elevations, etc., and also the complete network of marked hiking and cycling routes. Contours (at 10 m intervals) with spot heights and relief shading present the topography of the area. Symbols indicate castles, chateaux, ruins, lookout towers, cableways and much more. Places of interest are highlighted. The map is accompanied by a booklet with descriptions (in Spanish, English and German) of 9 recommended hiking excursions from four to six hours long. The map and booklet come in a protective plastic case.
