

‘ Tom Jones by Henry Fielding The History of Tom Jones, a Foundling, often known simply as Tom Jones, is a comic novel by the English playwright and novelist Henry Fielding. The novel is both a Bildungsroman and a picaresque novel. The kindly and wealthy Squire Allworthy and his sister Bridget are introduced in their wealthy estate in Somerset. Allworthy returns from London after an extended business trip and finds an abandoned baby sleeping in his bed. He summons his housekeeper, Mrs Deborah Wilkins, to take care of the child. After searching the nearby village, Mrs Wilkins is told about a young woman called Jenny Jones, servant of a schoolmaster and his wife, as the most likely person to have committed the deed.
