**Book One: Cherished Love** He was eight seconds from glory. Rodeo icon Wade Williamson has suffered what could be a career-ending injury. Coming home after a decade of hard rides and broken hearts, he hopes for a swift recovery. But when a secret from the past comes to light, it could mean the end of his career—that is, until his boyhood friends' kid sister throws open the gate of his heart, and offers him redemption in her arms. He's healing his body; she's stealing his heart.

**Book Two: Cherished Moments** The family ranch had been his only life until she walked in. Colton Tisdale worked hard, not having time for much of anything aside from tending to what must be done on the family ranch. It was a huge operation; and he was a determined, hard-working man. Then one day he receives a surprise visit from a new woman in town, Olivia Jaspers, and it takes a single second to realize that she's about to turn his world upside down. But she's holding something back. When the adventure of what Olivia is pursuing turns into tender moments and excuses to be together, Colton realizes that she's really a thief who walked right up to him and stole his heart. Will he let her keep it or will he try to take it back?
