

Like the rare mountain Chihuahua and the short-lived balloon animals of harshest Africa, there are sights in this world that we just dont experience often enough. Consider the unbridled thrill of happening upon an endangered pallid sturgeon or a courteous DMV employee, and youll understand the palpable excitement we feel about the selections in this years Far Side Wall Calendar. Every one is a cartoon that has never, ever graced a page in any of The Far Side Wall Calendars sixteen previous incarnations. You know, the kind that not only invoke involuntary guffaws, but also make you want to hang them on the wall for, oh, about a month. So put down the binoculars and pick up this calendar. Rare has never been so easy to find - or so dang funny.
