

Taken

In the last days of World War II, a strange phenomenon saves a doomed Air Force pilot named Russell Keys--and plunges him into torment. In a place called Roswell, New Mexico, a man named Owen Crawford is drawn to a bizarre crash site in the desert, and into a government cover-up. And in a remote Texas town, a lonely woman named Sally Clarke finds a stranger hiding in her barn, and reaches out to touch him... This epic novel, based on the gripping ten-part SCI FI Channel miniseries from DreamWorks Television, spans sixty years of American history...as the lives of three people are changed in an instant--and the consequences are played out over three generations of harrowing encounters and unexplained events. While the government lies, and a nation doubts, three families know they have been touched, know that something has been taken from them...something that will change their lives forever.
