

Ulysses [Facsimile of 1922 First Edition]

2011 Reprint of 1922 First Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. The Martino Reprint is an exact facsimile of the original 1922 Edition published in Paris by Sylvia Beach in 1922.

One of the most important works of Modernist literature, *Ulysses* has been called a demonstration and summation of the entire modernist movement. *Ulysses* chronicles the passage of Leopold Bloom through Dublin during an ordinary day, 16 June 1904 (the day of Joyce's first date with his future wife, Nora Barnacle). The title alludes to Odysseus (*Ulysses*), the hero of Homer's *Odyssey*, and establishes a series of parallels between characters and events in Homer's poem and Joyce's novel (e.g., the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). The novel is approximately 265,000 words in length and uses a lexicon of 30,030 words (including proper names, plurals and various verb tenses), divided into eighteen episodes. Since publication, the book attracted controversy and scrutiny, ranging from early obscenity trials to protracted textual Joyce Wars. *Ulysses*' stream-of-consciousness technique, careful structuring, and experimental prose—full of puns, parodies, and allusions, as well as its rich characterizations and broad humor, made the book a highly regarded novel in the Modernist pantheon. In 1998, the Modern Library ranked *Ulysses* first on its list of the 100 best English-language novels of the 20th century.
