

## Killing the Cure

Join a young medical researcher as he fights an unethical gang of white collar scoundrels who pull out all the stops to prevent him from continuing his research into finding a cause and cure for cancer. Killing the Cure is a novel of scorching indictment of the pharmaceutical industry which will go to any extreme to protect the billions of dollars being raked in from their treatment drugs. You will cheer from the sidelines as Dr. Gregory Ortel and his brother Jared refuse to give in to the pressures. Gregs love for Serena Church, whose father controls the powerful Washington D.C. organization from behind the scenes, will keep you turning the pages into the night.
