

Leo (A Sign of Love Novel)

A USA Today bestselling book. Leo is a full-length, standalone romance. Evie and Leo met in foster care as children and formed a bond of friendship. As they grew, their bond turned to love, and they vowed to make a life together when they turned 18 and were no longer a part of the system. When Leo unexpectedly gets adopted as a teen and moves to another city, he promises Evie that he will contact her as soon as he gets there and come back for her in a few short years. She never hears from him again. Now, eight years later, in spite of the odds, Evie has made a life for herself. She has a job. She has friends. She's content. Then a man shows up out of the blue, claiming that her long-lost love Leo sent him to check up on her. The attraction between them is undeniable. But should she trust this sexy stranger? Or is he keeping a secret about what his connection to Leo is really all about and why Leo disappeared all those years ago? New Adult Contemporary Romance: Due to strong language and sexual content, this audiobook is not intended for listeners under the age of 18.
