

Lives of the Milk Bones

Three One-Act Comedies as Quirky as
They are Charming
Skeleton: A new mother and her best friend reminisce about their pasts and discover that closets can hide more than the proverbial skeletons.
Lives of the Saints: Saint or Superman? Saint Tim reveals the supernatural power found in all of us.
Rosemilk: A secretary, meeting a frustrated writer, can't help but share her heart with him. Or rather, he insists.
