Top 100 Amazon Bestseller in Christian Contemporary Romance When Sienna McBride placed her baby for adoption at eighteen, she never dreamed that two years later she'd find herself falling for someone who resents his birth mother for not keeping him. A relationship that screams baggage is the last thing she has time for, especially with her last-chance Juilliard audition approaching. She can't afford any distractions if she's going to get back into the school she turned down because of her pregnancy.
