Rivalries, secret romances and scandals fed the feud between the Gwaltneys and Augustines for decades. The two families shared an uneasy co-existence, until a terrible tragedy touched the Gwaltneys. Years later, the two eldest Augustine children, chose to chart their family history. In doing so, they made a devastating discovery. Their family shared more than hatred with the Gwaltneys. They shared blood. The kids decided to cover the explosive revelation. The decision would have consequences none of them could have foreseen. Many years later, tragedy struck again. History would repeat itself as new romances bloomed amidst the pain of the loss and vows for revenge. The truth would have to be revealed. Whether the secret would ruin the families forever or finally unite them, was a chance they would have to take.
