

Ferma animalelor (top 10) (Romanian Edition)

Ferma Animalelor a inspirat o celebra animatie difuzata in anul 1954, reluata in 1999 de un film in care vocile personajelor au fost dublate, printre altii, de Patrick Stewart, Julia Louis-Dreyfus si Peter Ustinov. Cind animalele de la ferma isi alunga stapinul betiv, toate sint cuprinse de un zel colectiv. Fiecare munceste peste program, productivitatea creste si, pentru moment, toate gurile sint satule. Regulile de aur ale colectivitatii vor fi inscrite cu litere urias pe un hambar: toate animalele sint egale, nici un animal nu va bea alcool, nu va purta haine, nu va dormi in pat, nu-si va ucide semenii. Dar nu va trece mult pina cind porcii vor prelua conducerea fermei si se vor bucura de toate privilegiile puterii. Punctul culminant al utopiei Ferma Animalelor poate fi inteles fie si numai din ultima regula care mai ramine inscisa pe hambar: Toate animalele sint egale, numai ca unele animale sint mai egale decit altele. Ferma Animalelor este o fabula politica plina de intelepciune, de compasiune si de invataminte pentru vremurile pe care le traim. (New York Times)
