

The Butterfly's Daughter

Mary Alice Monroe, New York Times bestselling author of the Lowcountry Summer trilogy, once again touches hearts with her lyrical, poignant, and moving novel *The Butterfly's Daughter*! Every year, the monarch butterflies, *las mariposas*, fly more than two thousand miles on fragile wings to return to their winter home in Mexico. Now Luz Avila makes that same perilous journey south as she honors a vow to her beloved abuela, the grandmother who raised her to return her ashes to her ancestral village. As Luz departs Milwaukee in a ramshackle old VW Bug, she finds her heart opened by a series of seemingly random encounters with remarkable women. In San Antonio, however, a startling revelation awaits: a reunion with a woman from her past. Together, the two cross into Mexico to await the returning monarchs in the little village Abuela called home, but they are also crossing a border that separates past from present ... and truth from lies.

The Butterfly's Daughter is Mary Alice Monroe's newest book and it does not disappoint! Luz has so much going for her but lacks confidence.
