

The Twelve Clues of Christmas (Her Royal Spyness Book 6)

She may be thirty-fifth in line for the throne, but Lady Georgiana Rannoch cannot wait to ring in the New Year - before a Christmas killer wrings another neck ...On the first day of Christmas, my true love gave to me - well, actually, my true love, Darcy OMara, is spending a feliz navidad tramping around South America. Meanwhile, Mummy is holed up in a tiny village called Tiddleton-under-Lovey with that droll Noel Coward! And Im snowed in at Castle Rannoch with my bumbling brother, Binky, and sourpuss sister-in-law, Fig. So its a miracle when I contrive to land a position as hostess to a posh holiday party in Tiddleton. The village is like something out of A Christmas Carol! But then there are three deaths, so-called accidents. Perhaps a recent prison break could have something to do with it ... that, or a long-standing witchs curse. But after Darcy shows up beneath the mistletoe, anything could be possible in this wicked wonderland.

Ive read/listened to all the Royal Spyness novels. By far this Christmas story is my favorite! Katherine Kellgren outdoes herself with the narration on Audible.
