

# Until I Find You: A Novel

Until I Find You is the story of the actor Jack Burns, his life, loves, celebrity, and astonishing search for the truth about his parents. When he is four years old, Jack travels with his mother Alice, a tattoo artist, to several North Sea ports in search of his father, William Burns. From Copenhagen to Amsterdam, William, a brilliant church organist and profligate womanizer, is always a step ahead, has always just departed in a wave of scandal, with a new tattoo somewhere on his body from a local master or scratcher. Alice and Jack abandon their quest, and Jack is educated at schools in Canada and New England, including, tellingly, a girls school in Toronto. His real education consists of his relationships with older women, from Emma Oastler, who initiates him into erotic life, to the girls of St. Hildas, with whom he first appears on stage, to the abusive Mrs. Machado, whom he first meets when sent to learn wrestling at a local gym. A melancholy tale of deception, *Until I Find You* is also a swaggering comic novel, a giant tapestry of life's hopes. It is a masterpiece to compare with John Irving's great novels, and restates the author's claim to be considered the most glorious, comic, moving novelist at work today.

John Irving's eleventh novel, *Until I Find You*, is the story of the actor Jack Burns. His mother, Alice, is a Toronto tattoo artist. When Jack is four, *Despite its gargantuan heft*, John Irving's 11th novel moves nimbly from a Surely *Until I Find You* can't have turned into what it increasingly *Until I Find You* (2005) is the 11th published novel by John Irving. The novel was originally written in first person and only changed 10 months before publication. Buy *Until I Find You* by John Irving from Amazon's Fiction Books Store.
