

## Witchblade: Talons

NYPD homicide detective Sara Pezzini always knew she wanted to become a cop. Her father was a highly revered policeman-until the day he was shot down by an unknown assailant. Working on a case that eventually led to her being mortally wounded, Sara encountered a mystic weapon of unknown origin called the Witchblade, which chose her to become its current wielder. Since then, Saras greatest on-going battle has not been against any criminal mastermind, but with the Witchblade itself-because is she really in complete control of the weapon...or is it controlling her...? - An original Witchblade adventure, never before published! - Witchblade: The Series runs every Tuesday night on the TNT cable channel, starring Yancy Butler. - The Witchblade comic book series is a consistent Top Ten seller in comic shops around the world. - John deChancie is the bestselling author of the Castle Perilous series (Berkley/Ace), MagicNet (Avon/William Morrow), and Masters of Spacetime (Penguin/Roc Books; written with David Bischoff). - Over 1,000,000 John deChancie books in print worldwide. - Special sales opportunities for fantasy, SF, and comics markets.
