

Wyandotte, or the Huttred Knoll: A Tale (Classic Reprint)

Excerpt from Wyandotte, or the Huttred Knoll: A Tale One of the misfortunes of a nation is to hear little besides its own praises. Although the American Revolution was probably as just an effort as was ever made by a people to resist the first inroads of oppression, the cause had its evil aspects, as well as all other human struggles. We have been so much accustomed to hear everything extolled, of late years, that could be dragged into the remotest connection with that great event, and the principles which led to it, that there is danger of overlooking truth, in a pseudo patriotism. Nothing is really patriotic, however, that is not strictly true and just; any more than it is paternal love to undermine the constitution of a child by an indiscriminate indulgence in pernicious diet. That there were demagogues in 1776 is as certain as that there are demagogues now, and will probably continue to be demagogues as long as means for misleading the common mind shall exist. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
