

# Yosemite National Park Vacation Guide

If you are planning a trip to Yosemite, The Yosemite Vacation Guide is what you need to be reading. The books author has visited Yosemite close to 100 times and has presented what the top sights are to see. Most books list hundreds of hikes and give you basic information yet dont truly tell you what you should really do. This simple, basic, easy reading book covers the top hikes with an additional chapter covering hikes for beginner or non hikers. Lodging accommodations as well as other important information about your trip. Find out what the most important trails and sights are that must be seen. This book also covers what to do in a day, or what to cover in a week if you have the time to explore. Sort through all of the useless information and get the expert advice on what to visit with this book.
